- Carel digital controller
- Eco-friendly R290 hydrocarbon refrigerant
- Pre-installed casters with a break-away skid

HD-Series Undercounter Refrigerators & Freezers

Keep foods cold, and easily accessible with these compact undercounter refrigerators and freezers from CULITEK. Constructed of heavy-duty, stainless steel, these units fit under your countertop making them the perfect solution to adding more space anywhere you need. The flat stainless steel countertop allows for them to be used as a separate workstation. All undercounter units come with 5" casters and plastic coated wire shelving. Models UR27, UR48, UR60, UR72 are EnergyStar® rated. All models are backed by a 2 year warranty on parts and a 5 year warranty on the compressor. ETL and ETL Sanitation listed.

Cooling System

- R290 hydrocarbon refrigerant maintains a temperature range of 33°F to 40°F (refrigerators) and -8°F to 0°F (freezers)

Cabinet Construction

- 304 corrosion resistant stainless steel interior and 430 stainless steel exterior
- Coated coils
- Superior fit and finishing, including smooth edges

Electrical Control

- Carrel digital controller. Electric LED temperature controller provides a digital display of cabinet temperatures, allowing for easy temperature adjustments when necessary

Door(s)

- Stainless steel exterior and interior
- Self-closing door, with stay open feature beyond 90°
- Magnetic door gasket(s) standard for positive door seal
- Standard vertical handle

Shelving

- One (1) pre-installed shelf per section
- Shelves have pre-installed stainless steel pilasters with clips and epoxy coated wire shelves
- Shelves can hold up to 90 lbs

Model Features

- LED interior light(s)
- Undercounter Refrigerators are Energy Star® certified
- Pre-installed 5" casters shipped in a break-away skid for easy unpacking and set up

Undercounter Refrigerators Only
UR27, UR48, UR60, UR72
